Assessing

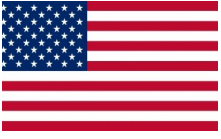

PLEASE TAKE NOTICE that Gun Plain Charter Township will be conducting a five year review of all parcel records. One of our Field Technicians, either Jim Lunarde, Julie Shannon, Sarah Shannon, or myself, will be reviewing properties in the upcoming months.

They will have a Michigan Drivers License as identification and will produce this upon request. This review will be on the exterior only of the property and include taking exterior photographs and outside measurements of all structures, as well as asking the occupant basic questions regarding the interior details and ages of the structures.

If no one is present at the time of the exterior inspection a mailer will be left at the door to notify you of our visit. Please complete the mailer and return to the Township.

Thanks,

Heather Mitchell
