

# Text Amendments to Chapter 22 Utilities

## ORDINANCE NO. 145

**ADOPTED: March 4, 2010**  
**EFFECTIVE: March 18, 2010**

### Sec. 22-31. Definitions.

*Township* and *township board* mean the township board of Gun Plain Charter Township, its agent, committee, or designated director for the purposes of management of the Gun Plain Charter Township Water System.

### Sec. 22-92. Contractors, payment, inspection.

The applicant applying for water service shall be given a list of the names of licensed master plumbers qualified to install the service. Such plumbers shall have current a performance bond on file with the township in the amount as currently established or as hereafter adopted by resolution of the township board. The person applying for the service connection shall bear the responsibility to retain and compensate the contractor or plumber for performing the service connection work from the street, main or easement line to and including the meter. Said installation to the meter shall be inspected and accepted by the Gun Plain Charter Township Water System agent prior to the covering of the trench and the beginning of water service being rendered. Connection of the premises' water piping to the discharge side of the meter shall be made only by a licensed master plumber whose work shall be inspected by the township plumbing inspector, subject to township permits, fees and regulations as may then be in effect.

### Sec. 22-101. Connection fees.

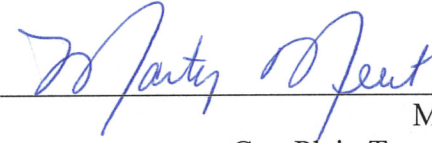

(h) All customers who receive water in the township that is supplied by the City of Plainwell are subjected to this ordinance. Customers with water that is supplied by the City of Plainwell, those customers water rates (ready-to-serve charge, commodity charge, and tap-fee) may differ from other customers within the township because the township has to purchase water from the City of Plainwell. The Township Board shall change these fees by resolution as needed.
